IN THE MAIL BAG-

Pvt. Joe Kadoyama, Ft. McClellan, Alabama. . . . Our training had been under way for about two weeks and is starting to

get rather tough. The weather does not help matters any either. This army life is sure different from civilian life but I am gradually getting used to it. The main thing I miss in army life is the sleep that I use to get. Here you can't get to sleep till pretty late and in the mornings you have to get up early. The only day I get to catch up on my sleep is on Sunday mornings, however, they are starting to have Church services in Company area on Sunday mornings so I guess I'll have to sleep in the afternoons. That is if the weather permits.

James Nishimura, Eden, Idaho...I arrived at my sisters place all right. The very next day I worked on the farm weeding carrots; the first hour of weeding was easy and fast work but later time went slower than ever. We have a victory garden of our own in our back yard; it was weedy so all of us weeded it one afternoon and finished it. It is very nice out here.

Stogie Toki, Cincinnati, Ohio.....I am doing very fine in this little city of Ohio. Am working hard at the Schaefer's Machine Company - learning the machinists trade - swell foreman - swell fellow-workers. I even play softball for the company team. Playing baseball for the team gives me a chance to travel all over the

city, meet all kinds of people. I have yet to meet up with discrimination. In fact people ask whether I'm a Syrian, Greek, Chinese, German or Italian rather than even imagine that I am a Japanese. Yes, baseball is a great American game and it is giving me a chance to prove that we Japanese Americans are not "Japs".

Ai Handa, Cambridge, Mass. . . . Dimpy Takakawa had phoned me several times in the past month. Approximately a week ago I phoned him during my unoccupied hours and he stated that he went to Ft. Devens for induction but apparently he had been put in the Enlisted Reserve Corp. He is still living at the home of Dr. Decker doing work around the house. Dimpy seems to be quite popular among the Niseis and Caucasians here in Boston. It has been sometime since I left all the past memories in Minidoka. Although I have been able to condition myself here in the conservative New England area I'm still homesick for all my loved ones and would exchange anything for a return to Minidoka.

SAINT MARY MAGDALENE

July 22

Grant, O most merciful Father, that as blessed Mary Magdalene, loving thine only-begotten Son above all things, obtained pardon of all her sins so she may ever entreat for us of thy loving-kindness a place in eternal blessedness. Through the same thy Son Jesus Christ our Lord, who with thee in the unity of the Holy Spirit, liveth and reigneth God, world without end. Amen

ACKNOWLEDGMENTS: The Church of the Holy Apostles gratefully acknowledges thank offering by Mrs. T. Kakehashi who left for Yellow Springs, Ohio to the Church and to the Fujinkai.
